Have you ever been introduced to a new group of people and instantly clicked? That's what happened when we arrived in Nampa, ID, for our Candidacy class. We met people from the west coast, east coast, Canada, and the Netherlands. Our days were spent learning about Mission Aviation Fellowship's ministries around the world. Our evenings and weekends were spent hanging out together. We watched movies, went tubing on the Boise River, celebrated Gabriella's 2nd birthday, and more.

Near the end of Candidacy, Stephanie and I were accepted and assigned to the Africa region. Our regional director called and told us he wanted us in MAF's East Democratic Republic of Congo program. We are so excited! The EDRC program was our first choice. It is based in a smaller city than most MAF bases, and there are some missionary kids there which are the same age as our girls.

Stephanie will be home schooling the girls and reaching out to the Congolese women. I

will be doing IT support for MAF and several mission and humanitarian organizations we work with.

Before we go to DRC we will go to French language school in Quebec. I'm sure Larinda, Gabriella and Macy will be fluent long before Mom and Dad!

Currently we are developing our Ministry Partnership team. This team of prayer and financial partners will be made up of family, friends, and organizations who want to join with our team as we serve God in Africa. We can't wait to share more about our ministry with you!
