If items will not fit into a flat-rate box, then it can be shipped Priority International by weight. However, the length (longest side) plus the girth (around the shorter sides) cannot exceed 79". Here are some sample Post Office rates (cheaper if you buy the postage on usps.com) as of September 2012. Use the calculator referenced above for the most accurate and up-to-date information:

10 lbs. - \$77.50 20 lbs. - \$127.00 30 lbs. - 176.50 40 lbs. - \$226.00 50 lbs - \$275.50

International First Class mail is sometimes also a cheaper option, but weight and size limits are smaller.
